Secure Diversity Sponsorship Prospectus for 2020 & 2021
I came to this conference to decide whether or not I wanted to enter into the cybersecurity industry and the variety of talks and hands-on technical sessions were a big factor in helping me decide that this is something I want to do. DoS has some of the most effective and dynamic speaker line-ups from experts that care to explain the material to a diverse audience. It was AMAZING! Thank you.
